Under følgeren en enkel tekst som kan brukes for å informere foresatte på engelsk:

The Education Authority is responsible for the Activity School in Oslo. The purpose of the Activity School is to offer activities that contribute to children's academic and social learning. The Activity School will have a clear framework of rules and will encourage a positive pattern of behaviour.

Each school will prepare schedules that lay out the activities on offer at each individual activity school. The framework plan for the Activity School forms the basis for the school's schedules. The head teacher is the academic and administrative director of the Activity School and is responsible for ensuring that the school and the Activity School work together for the pupils' academic, social and personal development.
